More information about switching on and off and removing cookies can be found in the instructions and / or with the help function of your browser.

Privacy legislation and Google analytics

As described below in the official statement that Google Analytics users must place on their website, this website uses Google Analytics. This program provides important statistics about the number of visitors, the pages visited, the traffic sources and other essential information with which we can continuously improve this website for users. These statistics are anonymous and cannot be traced to a specific person or user. No use is made of "behavioral targeting" with which you get to see special content based on your click behavior; your surfing behavior remains completely anonymous. Data from contact forms are never processed or stored in Analytics.

Google Analytics uses a cookie, which is a small file that is stored on your computer. We have set up Google Analytics in accordance with privacy legislation, so that no prior permission from the user is required.

IP addresses are masked and data is not shared

The Google Analytics cookie is a "first party cookie", which means that the cookie is officially owned by Hayona and not by Google. This cookie is not used for advertisements or other commercial purposes. Hayona has a processing agreement with Google. In addition, Google Analytics is set up so that IP addresses are made anonymous, so that data can never be traced back to you or your IP address. Furthermore, no information is shared with Google or other parties from Hayona's Analytics account. This makes Hayona's Analytics cookie a non-privacy sensitive first-party cookie that is necessary to guarantee the quality and safety of hayona.nl. The Analytics cookie is valid for 6 months.

Opt-out

If you prefer to block the Analytics script completely, you can download an opt-out plugin for Google Analytics here: <https://tools.google.com/dlpage/gaoptout>. With this plugin your visit will no longer be included in the statistics of all websites that use Google Analytics.

Google analytics - statement from Google

This website uses Google Analytics, a web analysis service offered by Google Inc. ("Google"). Google Analytics uses "cookies" (text files placed on your computer) to help the website analyze how visitors use the site. The anonymous information generated by the cookie about your use of the website is transferred to and stored by Google on servers in the United States. Google uses this information to keep track of how this website is used, to prepare reports on website activity for the owner of this website (Hayona BV) and to offer other services with regard to website activity and internet use. Google may only provide this information to third parties if Google is legally required to do so, or insofar as these third parties process the information on Google's behalf. Google will not combine your IP address with other data held by Google. You can refuse the use of cookies by choosing the appropriate settings in your browser. However, we would like to point out that in that case you may not be able to use all the possibilities of this website. By using this website you consent to the processing of data by Google in the manner and for the purposes described above.
